ACADEMIC EXPERIENCE

University of Colorado Law School, Boulder, CO

Getches-Green Natural Resources, Energy, and Environmental Law Clinic

Associate Professor of Clinical Education (July 2023-present)

- Teach semester-long, twice weekly classroom seminar with focus on substantive environmental law, lawyering skills, development of professional identity, and social, racial, and environmental justice issues
- Supervise teams of students representing clients in environmental matters

Willamette University College of Law, Salem, OR

Community and Environmental Justice Clinic

Assistant Professor of Clinical Education (August 2021-June 2023)

- Designed and launched new clinic; matters included federal litigation concerning postponed oil and gas lease sales in Wyoming and other western states, comments on proposed modifications to water permits for permittees in Alaska and Oregon, administrative challenge to approval of vegetation management program in southern Oregon, comments on Oregon's heat illness prevention rules, and policy work relating to fines and fees in the criminal justice system
- Taught biweekly clinic seminar and exercised sole supervisory responsibility for teams of 2L and 3L law students as they represented clients
- Co-managed clinical law program with two clinical colleagues, including internal and external promotion and administration
- Committee Service: Appointments (2022-2023); Inclusion and Equity (2022-2023); Academic Affairs (2021-2023)

University of Denver Sturm College of Law, Denver, CO

Environmental Law Clinic

Clinical Teaching Fellow (July 2018-July 2021)

- Supervised all aspects of student representation of client organizations; matters include Clean Water Act, National Environmental Policy Act, and Freedom of Information Act litigation in federal court, oil and gas permit challenges in state court, policy-oriented advocacy around protecting wildlife habitat, preparing and submitting written comments and oral presentations before administrative bodies, and community lawyering projects focused on water and air quality
- Taught seminars for clinic students on lawyering skills; topics include client interviewing and conducting depositions, legal writing and analysis, and substantive environmental law topics; design new seminar courses on litigating environmental citizen suits and working with experts
- Completed coursework in clinical pedagogy

EDUCATION

University of Denver, Sturm College of Law
LL.M, anticipated 2023

Seattle University School of Law
J.D., 2010

- Business Editor and founding member of Seattle Journal of Environmental Law (now Seattle Journal of Technology, Environmental, and Innovation Law)

University of Washington
B.A., 2004

AMICUS CURIAE SERVICE

County of Maui v. Hawai'i Wildlife Fund, et al., No. 18-260 (U.S., July 19, 2019) (*amicus curiae* on brief of law professors in support of respondents arguing for plain language interpretation of the scope of the Clean Water Act)

Hill v. Warsema, No. 19-1025 (10th Cir., Apr. 25, 2019) (counsel for and *amicus curiae* on brief of law professors in fishing access case, discussing application of public trust and equal footing concepts to Colorado's rivers)

State of Colorado v. Roger Hill, 2022SC119 (Colo. 2023) (*amicus curiae* on brief of law professors discussing application of public trust and equal footing concepts to Colorado's rivers and other western states)

REPRESENTATIVE LITIGATION

With Willamette University Community and Environmental Justice Clinic

Western Energy Alliance, et al. v. Biden, et al., No. 21-cv-00013-SWS (D. Wyoming 2021) (on behalf of intervenor-respondent business coalition, arguing certain oil and gas lease sale postponements by BLM offices complied with Administrative Procedure Act, Mineral Leasing Act, Federal Land Policy and Management Act, and National Environmental Policy Act)

Applegate Siskiyou Alliance, IBLA No. 2022-144 (challenging BLM's approval of programmatic environmental assessment for vegetation management program in forests in southern Oregon)

With University of Denver Environmental Law Clinic

American Lung Assoc., et al. v. U.S. EPA, 985 F.3d 914 (D.C. Cir. 2021) (on behalf of environmental and historic-preservation groups, authored *amicus* brief discussing how the Affordable Clean Energy rule will harm culturally-significant, historic communities)

Juliana, et al. v. United States, 947 F.3d 1159 (9th Cir. 2020) (on behalf of children's rights scholars, authored *amicus* brief in support of plaintiffs' petition for rehearing en banc)

Animal Legal Defense Fund v. USDA-APHIS, No. 20-cv-03461-CMA-MEH (D. Colo. 2020) (challenging agency decision to withhold certain documents responsive to Freedom of Information Act request about city program for slaughtering Canada geese)

Save the Colorado, et al. v. U.S. Bureau of Reclamation, No. 17-cv-02563 (D. Colo. 2017) (challenging agency decisions to permit large water diversion project without considering present demand for water and climate change impacts)

Weld Air and Water, et al. v. Colorado Oil & Gas Conserv. Comm'n, 2018CA1147, cert denied 2019SC505 (Colo. 2020) (challenging agency decision to permit large fracking project near playgrounds of a middle school serving a low-income community)

Neighbors Affected by Triple Creek v. Colorado Oil & Gas Conserv. Comm'n, 2018CA116 (Colo. Ct. App.) (challenging agency decision to permit large fracking project in residential community)

Grand Valley Citizens Alliance v. Colorado Oil & Gas Conserv. Comm'n, 2019CV30618 (Denv. Dist. Ct.) (challenging agency decision to permit one of the state's largest fracking projects in residential community)

With Law Offices of Charles M. Tebbutt, PC

Puget Soundkeeper Alliance, et al. v. Dept. of Ecology, PCHB No. 17-016c, rev'd in part by *Washington State Dairy Fed. v. Dept. of Ecology*, 490 P.3d 290 (June 29, 2021) (administrative challenge to state-only and NPDES CAFO discharge permits; on appeal, court held that permits were inadequate due to failure to require monitoring beyond soil tests and visual inspections, failure to make site-specific information available for public comment, and failure to consider effects of climate change)

Kupale O'okala and Center for Food Safety v. Big Island Dairy, LLC, No. 17-cv-00305-SOM-KSC (D. Hawaii 2017) (Clean Water Act citizen enforcement suit concerning unpermitted discharges at industrial dairy resulting in consent decree)

Friends of Maba'ulepu, Inc. v. Hawai'i Dairy Farms, et al., No. 15-cv-00205-LEK-BMK (D. Hawaii 2015) (Clean Water Act citizen enforcement suit concerning unpermitted discharges at construction site resulting in consent decree)

Sierra Club, et al. v. BNSF Railway Co., No. 13-cv-00967-JCC (W.D. Wash. 2013) (Clean Water Act citizen enforcement suit concerning coal and petcoke discharges from rolling stock; consent decree reached during trial)

Cnty. Ass'n for Restoration of the Env't, Inc., v. Cow Palace, LLC, 80 F.Supp.3d 1180 (E.D. Wash. Jan. 14, 2015) (finding on summary judgment that commercial dairy's management of animal waste may present an imminent and substantial endangerment to human health and the environment under Resource Conservation and Recovery Act; consent decree followed court's opinion)
