Technology Law & Policy Clinic

During class one, we will consider the notion of the “public interest” as well as discuss TLPC procedures and protocols. Please come prepared to discuss what the public interest means for a regulatory body like the FCC. More importantly, please come prepared to discuss what the public interest should mean for the TLPC when we aspire to advocate for policy determinations which serve the public interest.

- Read Mark Hurst, Bit Literacy, Ch. 8, pp. 88-100 (excerpt to be emailed to students by Aug 20).
