1. The required texts are:
   (a) M. Eisenberg, Corporations and Other Business Organizations (9th ed, 2005) and
   (b) the related Statutory Supplement

2. For the first class session, please master pp. 106-114 and the referenced materials in the
   Statutory Supplement.

3. For Wednesday of the following week, on September 5, please prepare a certificate of
   incorporation (charter) for a Colorado Corporation to be engaged in a retail natural foods
   store, with initial equity capital of $1 million and bank loans of $2 million. Initial
   incorporators, directors, and equal shareholders of common stock are Alan Able, Ben Brown,
   and Charles Coogan.
   For optional charter provisions, provide a separately keyed, very brief explanation of why
   you chose a particular option.
   Assume the three individuals have implicit trust in each other.
   Note the assignment is simply to draft the charter; other problems will be addressed later.
