

Contracts – Fall 2012
Professor Peppet
First Assignment

Please bring to class a copy of a contract to which *you* were a party. You might, for example, bring your apartment lease or a student loan agreement, but *please* try to be creative—in other words, *no* leases or loan agreements. Look around—you'll find that you are party to a great many contracts. Please read this contract prior to class.

Also, please read Chapter 1 of Knapp, Crystal & Prince, *Problems in Contract Law* (7th edition) (pages 1-31).

Also, please register on the course TWEN site, available through Westlaw.
